RE: Scope determination on antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-890)

1. On 07/22/2013, in response to a request by Dorel Home Products Group ("Dorel"), Commerce issued a final scope determination that the Imagination Junior Loft Bed with either fire truck or princess castle panels including item numbers 5556098, 5556198, 5557098, and 5557198 ("Imagination Junior Loft Bed") which Dorel imports is within the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-890).
2. Because the imported product is a bed that is made substantially of wood (i.e., wood makes up an extensive part of the bed and is integral to the composition of the bed), Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of wooden bedroom furniture from the People's Republic of China, including the Imagination Junior Loft Bed imported by Dorel described above, subject to the antidumping duty order on wooden bedroom furniture from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
